

NYC High School Applications for Fall 2027

A Parent-to-Parent Conversation

October 11, 2026

Program

- Introduction
- Short Presentation on High School Application
- Q&As
- Useful Appendices

Our Parent Panel

1. **Debbie Kross**
2. **Deborah Alexander**
3. **Yiatin Chu**
4. **Jean Hahn**

Key Dates

- High school application opened on 10/6
- SHSAT registration and ranking are due 10/30
- SHSAT test dates: 11/18 (NYCPS 8th graders taking the test in their MS during the day) Saturday 11/14 and Sunday 11/15 (other 8th graders*), and Saturday 11/21 (9th graders)
- Submit application (incl. assessments / auditions) by 12/4
- Offers will be out on 3/3/2027
- Waitlists: open 3/4/2027 ⇒ remain open till mid September
 - “Rolling offers” made over the summer in MySchools

**Students in public schools that are 6-12; students in private/parochial/charter schools, and homeschooled*

Application Process

- Open MySchools account* www.myschools.nyc
- Register for the SHSAT
- Research schools online on MySchools
- Attend school open houses: now through late November
- Apply to as many schools as you want; submit auditions and supplemental assessment material as required

**current NYCPS 8th graders already have one*

Private School, Charter School, and Homeschooled students must create an account

Applying in 9th Grade

- All the information provided tonight is valid for 9th graders applying for a new school in 10th grade
- Various reasons to apply (not happy; move; transfer from private to public...)
- Seats open in SHS (“9th grade SHSAT”) and in non-SHS
- For non-SHS, **MySchools will explicitly say if there are 10th grade seats**

PSAL SPORTS - BOYS

Baseball, Basketball, Bowling, Soccer, Volleyball

Accessibility

Fully Accessible

[Building Accessibility Profile](#)

Other Features

- 10th Grade Seats Available
- College Courses Offered
- College Courses On Site
- College Trips
- Community Service Expected
- Computer Science Coursework
- Expert College and Career Advisor On Staff
- Financial Literacy Coursework
- Health Center
- Internships

NYC High School Applications

High School Application (unlimited number) <u>REQUIRED</u>	Specialized High Schools SHSAT (up to 8) <i>OPTIONAL</i>	LaGuardia High School Audition (up to 6) <i>OPTIONAL</i>
• Screened • Audition • EdOpt • Open • Zoned	1. Bronx High School of Science 2. Brooklyn Latin School 3. Stuyvesant High School 4. Brooklyn Technical High School. 5. High School for Math, Science and Engineering at City College 6. High School of American Studies at Lehman College 7. Queens High School for the Sciences at York College 8. Staten Island Technical High School	• Fine & Visual Art • Vocal Music • Instrumental Music • Dance • Drama • Technical Theater

Charter Schools are another option – it is free for your student to attend; they accept students by lottery. You can apply to Charter Schools in addition to public schools, and there is no negative impact.

Your Student

Admissions Priorities

- Where you live: you may have a zoned HS or geographic (borough / district) priority
- Income: Low income students may qualify for DIA (Diversity in Admissions)
- Seat Category: Gen Ed, Student w/Disability (SWD)
- Current School: continuing K-12 or 6-12 provides priority to continuing students

Academics, Talent, Skills

- GPA → Group 1-5 (Screened programs)
- Assessment (test, essays, interviews...); most of these are submitted through myschools, but some assessments are in person
- Tier: High, Med, Low (EdOpt programs = schools that create an “academically balanced” pool of students)
- Talent assessed through auditions. Schools give specifics. Virtually submitted, callbacks might be in person.

Lottery Number

- Used when there are more applicants than seats
- Lottery number impact is “diluted” if there is a supplemental assessment
- Matters even less for Auditions schools (although used as tie-breaker)

The Schools / Programs

NYC has over 400 HS, and 700 programs. One school may have multiple programs.

You are applying to PROGRAMS (you may rank more than one program in a school)

Considerations:

- Location - commute, safety, building considerations (colocation, accessibility...)
- Admissions method - zoned, open, EdOpt, screened, audition, SHSAT
- Academics - course offerings, APs, College classes, electives, graduation rates
- Specialties / partnerships - STEM, arts, Career & Technical Education, writing
- Extracurriculars - sports (PSAL), clubs
- “Social” consideration for 6-12 (staying in same school, or being the “new kid”)
- Size - large vs. small
- Specific support needed - e.g. for students with IEPs
- College support and exmissions

Lottery Number: how does it impact my student?

- Each student is assigned an initial random lottery number, visible in your child's profile page (name / address / district info...)
- It is a long string of numbers / letters but only the first 2 matter:
 - **4f**-6ad98086b56fa9, **a5**-f6e780ad08bb09
 - Best: start with 0, 1, 2..... worst start with letters (d, e, f) – see Appendix
- Lottery number is used within screened groups when there are more applicants than seats; lottery number is also used to break ties
 - “Bad” lottery numbers matter for screened schools with no supplemental assessment, and also for EdOpt schools
 - They may be mitigated in audition and screened with assessment programs applications
- Lottery numbers are NOT used for Specialized High Schools
- You get a new lottery number for **waitlists**

How are offers being made?

- **Distinct GenEd and SWD “buckets” of seats, and with different applicants / seat stats:**
 - Your child applies for a seat in one of those buckets
- **All schools “over-offer” seats in the first round based on historical yield**
 - Some students take a Specialized HS offer, or exit the NYCPS system altogether in High School
 - Size of the class can vary year-over-year
 - The yield determines whether or not there are waitlist offers
- **How the DIA priority works:**
 - Only the first round offers target the % of DIA
 - Waitlist offers do not take DIA % into consideration
 - For 6-12: applies only to new offers made (not to the class including continuing students)

How to predict your odds

- Newly development DOE tools with “bars” - predict admissions based on lottery number (but limited to schools where there is no assessment / no audition as the tool cannot predict how your child might score)
- <https://nycsift.com/>
- Crowdsourced lottery number max/min for offers (latest: 2026)
<https://medium.com/algorithms-in-the-wild/results-from-the-2026-nyc-school-admission-lottery-surveys-0f0df35b8175>

What Should I Do Now?

- **Research schools**

- To the extent possible, [go to open houses](#) - virtual and in-person (in person is better for the “vibe” and to get a sense of the commute). Your child should go
- Speak to current students and parents (some alumni from your MS would be willing to chat about their experience)

- **Make your list:**

- You may list as many HS as you would like on your application for non-SHS HS
- Rank any school that is preferable to one the DOE would randomly pick for you
- Include your zoned school if you have one (found on your Profile page)
- Rank in order of true preference - even if you think your odds are low

- **Submit assessment and audition files by 12/4**

- Don't wait till 11.57PM as there are bugs, always!
- Same for SHSAT registration - do it before the deadline (10/30)

Open Houses / Tours

- **Open Houses vs. Tours:** attend the extent possible, virtual and in-person (in person gives you the “vibe” and a sense of the commute). Your child should go if they can. Weekdays open houses (with school in session), and evening / weekend tours that generally have student from the HS volunteering
- **How to find out about them?**
 - Individual school website, under “Admissions” or sometime landing page
 - Myschools maintains a [Calendar of open houses](#)
 - Some schools cap the seats available, which is frustrating...

Other ways to find out about schools:

- Myschools includes comprehensive information on each school
- Speak to current students and parents (some alumni from your MS or people in [Facebook Group](#) focused on NYC High Schools application)

Open Houses / Tours (cont'd)

What to ask for and look for at Open Houses and Tours

- Opportunity to meet the administration / teachers and students
- Look at the building, the classrooms, the cafeteria, the gym, specialty rooms (library, lab etc...)
- Display of student's work and activities (e.g. writing, projects, club announcements) in the school hallways and classrooms
- Accessibility of the building
- Neighborhood, commute, safety considerations
- Speak to students (and teachers)
- IEP / ELL support in the school if relevant to your student

Troubleshooting common problems

- **I missed the only open house for a school my child is interested in!**
 - Call the parent coordinator at the school, you never know...
 - Attend an event (performing arts school, concert, PTA meeting...)
- **My child's lottery number is awful!**
 - Mitigate it in the first round by not picking solely screened schools without assessments
 - Play the Waitlist Game - as you will get a new number for waitlists
- **My child missed Group 1 and has no shot at a screened school!**
 - Some screened schools “dip” into Group 2
 - **Mitigate the group impact with assessment for schools that have one**
 - Consider EdOpt and Open HS - many have APs / honors

Specialized High Schools

The SHS at a Glance

	Stuy	HSMSE	Bx Sci.	HSAS	B-Tech	B-Latin	SITHS	QHSS
Borough	Manhattan		Bronx		Brooklyn		Staten Island	Queens
Neighborhood	Downtown / WTC	Uptown – City College	Kingsbridge Heights	Kingsbridge Heights	Downtown	Williamsburg	Oakwood Heights	Jamaica
Access public transportation	1/2/3 A/C/E 6	1 A/C B/D	4 B/D	4 B/D	A/C B/D G N/Q/R 2/3 4/5	L G J M	SIRR / Buses	LIRR, E J F Z
School Size	3,342	496	2,936	382	5,921	808, shared campus	1,336	511 - growing
Focus	STEM	STEM	STEM	Humanities	STEM	Humanities	STEM	STEM
APs	30 APs, post APs, multiple college courses	9 APs, multiple college courses	30+ APs and 11 Post APs	7 APs, multiple college courses	29 APs, multiple college courses	20+ IB classes (IB Program)	16 APs, multiple college courses	15 APs, multiple college courses
After School clubs / sports	250+ clubs, 40+ teams	30+ clubs, 13 teams	100+ clubs, 40+ teams	30+ clubs, 11 teams	250+ clubs, 40+ teams	40+ clubs, 12 teams	80+ clubs, 32 teams	22 clubs , 8 teams
Language	Spanish, Latin, German, French, Mandarin, Japanese	Spanish, German	Spanish, French, Latin, Mandarin, Japanese, Italian	Spanish	Spanish, Mandarin, French, Italian, German	Latin, classical Green, Spanish	Russian	Spanish, Mandarin
Others	CCNY classes	Concentrations (Junior/Senior), CCNY classes	Research programs	Lehman College classes	Major system (Junior/Senior)	IB for all	CTE Courses	College courses taught by York profs.

Which school is the right fit for your student? Some considerations

1. Location (neighborhood, building condition, shared campus...)
2. Length and ease of commute
3. Large (enormous) vs. small school
4. Class Offering: STEM vs. ELA focused; “generalist” schools; ability to customize
5. AP choices, process, and caps, access to on-campus college classes and College Now
6. Foreign languages, clubs, PSAL choices, music and arts
7. “Vibe”: competitive, collaborative, nurturing, uniforms, lunch out, etc.
8. Workload and Homework
9. Access to Services as needed (IEP, ICT classes, ELL support)
10. College Admission Support in the school (counselors, speakers, etc.)

Historical cut-off scores (not a predictor of the future – but a good indication)

School	2026	2025	2024	2023	2022	2021	2020
Stuyvesant	561	556	561	561	563	559	566
HSMSE	539	526	542	518	532	515	522
QHSS	531	518	524	527	523	515	522
Bronx Science	525	518	526	521	524	517	529
SI Tech	517	527	519	521	527	525	529
HSAS	507	504	514	510	516	502	517
Brooklyn Tech	506	505	507	508	506	493	507
Brooklyn Latin	495	496	492	493	497	481	494

Ranking

- You do it as you register. Deadline is 10/30
- True Order of Preference – ALWAYS
- Your child's decision – they have to attend that school for 4 years!
- It doesn't matter if your child is far from the expected cutoff of the school you really want – you never know
- Only ONE offer (or none) from SHS. This would be in addition to a non-SHS offer
- You CANNOT change your choice once the score is received and the offer is made – so choose wisely now
- Ranking all the schools? pros and cons
- A word on the Discovery Program

Last words of advice for the day of the test

- Good night of sleep
- Snack (to eat before or after); water bottle
- Old fashioned wristwatch (not Apple watch) - but proctors generally announce time
- Go to the bathroom before you start the test
- Pencils (there will be scrap paper)
- Computerized test will be ok – same as the state Math & ELA tests; schools have tested
- If there is an issue, there will be a retake. Tell your child to report it immediately!
- No leaving questions unanswered. In doubt, just pick one answer
- Your child studied hard, they've got this!

Ask Us Anything!

Q & A

Appendices

1. Hidden Gems in the 5 boroughs
2. Screened programs with additional material
3. Audition Schools
4. Screened admissions GPA “Tiers”
5. Lottery Numbers
